## PERSONAL STRENGTH

I have been described as a highly motivated person and seeking for challenging career with a progressive organization that provides an opportunity to capitalize my technical skills and abilities. I always wanted to learn new things so I can improve my skills in working environment. I am willing to learn and accept any consequences from my actions. I am also a fast learner and I can work without full supervision and independently as well as working in a team. Willing to move and can start from any level of position. I am your best candidate and I will always try my best to complete my tasks on time. I have a good discipline thus I had few experiences of being a group leader.
