27

Working Experience

Assistant Manager Solution , Baycom Sdn Bhd

Since May 2014

Nationality

Malaysian

At Baycom Sdn Bhd I played many role. As a solution executive I create proposal, technical slides, handle meetings to market our products and solutions, provide costing, quotations, participate in tenders and handle interview for newbies.

Permanent Address

No.1376, Jalan E4/19,
Taman Ehsan, Kepong,
51200, Selangor.

When Baycom been awarded the Small cell Broadband project under MCMC I was assigned to play the role as Procurement and Logistic Manager. I also create the BOQ/BOM and costing for the project. I had successfully handled the procurement and logistics for all 100 telecommunication tower raised all by myself. Once the towers raised I worked on analyzing the performance of our solutions. I was promoted as Assistant Manager Solution since September 2016.
