**POLISI KESELAMATAN MAKANAN**

Far East Holdings Berhad (“FEHB” atau “Syarikat”) dengan ini komited kepada kepentingan mengekalkan kualiti dan keselamatan produk makanannya. Justeru itu, Sistem Pengurusan Keselamatan Makanan yang menyeluruh dan diiktiraf dilaksanakan.

Keutamaan kami adalah untuk memastikan produk makanan kami memenuhi keperluan keselamatan makanan di sepanjang rangkaian nilai proses.

Bagi mencapai aspirasi ini, FEHB komited untuk:-

- Mewujud, melaksana dan mengekalkan amalan pertanian dan pengilangan yang baik serta menggunakan piawaian Analisis Bahaya dan Titik Kawalan Kritikal (HACCP).
- Mematuhi peruntukan undang-undang dan keperluan pelanggan.
- Melaksana penambahbaikan produk-produk dan proses-proses secara berterusan, selaras dengan perkembangan baru dalam teknologi makanan.
- Mewujudkan kesedaran dan menggalakkan budaya keselamatan makanan di kalangan pihak-pihak yang berkepentingan

**FOOD SAFETY POLICY**

Far East Holdings Berhad (“FEHB” or “Company”) is committed to maintaining the quality and the safety of food products. Therefore, a comprehensive and recognized Integrated Food Safety Management Plan had been implemented.

Our priority is to ensure our food product meets the safety requirements along the process value chain.

To achieve this aspiration, we are committed to:-

- Creating, implementing and maintaining good agricultural practices and manufacturing and adopting the Hazard Analysis and Critical Control Point (HACCP).
- Comply with legal requirements and customer needs.
- Conduct continuous improvement of products and processes, in line with new developments in food technology.
- Constitute awareness and promoting food safety culture among stakeholders.
