### **PERSONAL DETAILS**

---

IC No	: 940219-05-5015
Nationality	: Malaysia
Date	: 19 February 1994
Age	: 23 years old
Gender/Status	: Male/Single

### **OBJECTIVE**

---

I am seeking a career opportunity in the field of electrical engineering available in your company to explore and excel in the field of engineering. I consider myself as a quick learner, highly motivated and able to adapt in various situations. I am willing to put in extra hours to acquire the necessary skills. Some of the course that I have taken is PLC program, microprocessor, high voltage, electrical protection, electrical safety, renewable energy and much more. I enjoy learning electrical installation and I'm great at hands-on skill.
