Education

International Islamic University Malaysia (Sept 2013 – Jan 2018)

Bachelor of Engineering in Electronics-computer and information Engineering
Last semester GPA: 3.26
CGPA: 2.44

Sekolah Menengah Agama Persekutuan Kajang, Selangor (2006-2010)

Sijil Pelajaran Malaysia 2010 (8A,1B,2C)

Work Experience

Part Time

June-Dec 2013

McDonalds, Taman Melati, Gombak.

Achievement

Integrated Design Project

Design and Develop a Smart Educational Toys based on STEM Learning Program: iCreative Circuits (Grade:A)

International Islamic University Sports Award 2016

Sports Leadership

Sports Involvements

- IIUM rugby athlete for MASUM 15's in UTM (2015).
- IIUM rugby athlete for MASUM 7's in UPM (2015).

Proficiency

- Microsoft Office (Word, PowerPoint, Excel)
- Adobe (Photoshop, Illustrator, Flash)
- Programming Language (C/C++, HTML&CSS, VHDL, MATLAB, Assembly)
- Solidwork Design & Alibre Design
- Language: English and Bahasa Melayu
- Extra Language: Arabic and France
