OBJECTIVE

- To secure a cooperative education in the field of Electrical and Electronic Engineering that will challenge and strengthen my knowledge and professionalism.

PERSONAL INFORMATION

Strength

- Good listener.
- Positive thinker.
- Outspoken, friendly, independent and level headed person.(can become friend with anyone easily)
- Involved in personality development and updating knowledge based through reading, listening and observations.
- Effective communication in daily life.
- Task Oriented person (never stop until achieve of the company's and personal goal)
- Technical worker (prefer to use hand skills and soft skills)
- Good in using Software's (software that I didn't use, I have capability to learn within a 2 days without any guide)
- Curious in everything (possible want to learn everything that I possibly can)
- Competitor (like Challenges and win it)
- Well rounded (capable of doing anything with a little guidance)
- Have knowledge of Marketing and Accounting (scored A in SPM for account and also A for both Marketing and Accounting in UNITEN)
- Discipline and Very Obedient to Rules and Regulation (to earn respect of people and the key quality of professionalism)
- Have some knowledge as electrician (did work as electrician for 3 months on 2nd year long Semester break)
- Good at marketing and promoting (did work as promoters and salesman in few places)
- Patient and hard-working (make sure the task is given is completed and keep up the good work because I believe in great things take time)
- Cares about important of health, safety and happiness of the public, environment
- Try to reduce the lost and increase the profits of the company working

Weaknesses

- Can't speak other language beside local language, English and Tamil (Mandarin only know the basic level)
- Not the expert in writing skills
- Being unfamiliar with latest software
- Attempting to please everyone
- Still bit nervous when comes to presentation in front crowd
- Try to do everything by self (have a hard time sharing a task with others because always convinced that I can do it all on my own This has led to me taking on projects that have overwhelmed me and resulted in me being frustrated and angry)
- Get frustrated when doesn't achieve the target.
