**Application For Job Vacancy**

Dear Sir/Madam,

I am writing to inform you of my interest in any suitable entry-level position in your company.

2. Now I'm done my study in Bachelor of Electrical Engineering Technology (Honours) (Industrial Power) University Malaysia Perlis. I am really interested to acquiring a position in my field. I am a recent graduate from University of Kuala Lumpur Malaysian Institute of Marine Engineering Technology .where I obtain a Diploma of Engineering Technology in Marine Electrical & Electronic. I am a fast learner with keen interest at securing a position at an innovative and dynamic company. I expect to provide to the beneficial of the company and is willing to grow with the company. I am looking for a position where I can practice the theory and skills I have learnt and give me the opportunity of developing and enhancing them. I believe that any position in your company will enhance and boost my knowledge level, and hopefully I can be an important role in your company's development.

3. I kindly hope that you will consider my application and I will really appreciates it if you can consider me for short listing and call me for an interview at your convenience. Hereby, You may contact me at 0194732707 or email at hakim.zamir26@gmail.com. Thank you for your time and consideration.

Yours sincerely,

*amir hakim*
