

AMANINA HADINAH BT ABD HADI

Phone: +6 0126899134 | Email: amanina_92@yahoo.com

Address: D2-8-02 Pangsapuri Damai, Jalan Tasik Raja Lumu U4/17, Taman Subang Delima, 40150 Shah Alam

CAREER OBJECTIVE

To obtain a challenging position in the field of engineering especially in telecommunication engineering and to become a successful engineer with the great achievements and have the ability to work with anyone in any condition while contributing engineering skills to the related sectors.

PERSONAL INFORMATION

Gender	: Female	Marital Status	: Single
Nationality	: Malaysia	Driving License	: D
Identity Card No	: 920119-14-5250	Health	: Excellent
Age	: 25 years old	Expected salary	: RM2600

EDUCATION

Universiti Kuala Lumpur – British Malaysian Institute (Graduation Date: September 2017)

Qualification: Bachelor of Engineering Technology (Hons) In
Data Communication
Current Status: Final Year Student (Final Semester)
GPA: 3.13 CGPA: 2.62

List of projects:

Subject	Description
Final Year Project: Development of RFID Based Automatic Billing Trolley	This project focuses on easier device that attach at each trolley at shopping mall using RFID and Arduino UNO. Function to estimate and control shopping budget by displaying total amount items in the trolley. The methods for this device is being analysed for practically study, implementation and process in engineering fields.

International Islamic College (IIC) – (2010 - 2013)

Qualification: Diploma in Information Technology

CGPA: 2.94

Sekolah Menengah Bandar Sri Damansara 1 (2008 – 2009) – SPM in Sastera: 3B 3C 2D

WORK EXPERIENCE

All ICT Group of Company. Damansara Perdana

Industrial Training (Diploma) / November 2012 – January 2013

- Assist IT Department in executing IT activities.
- Any other duties assigned by superior.

ECS KUSH SDN BHD. Kota Damansara, Petaling Jaya
