Dear Sir/Madam:

I am writing to apply for a full time position in any Electrical related field in OCK GROUP BERHAD. I am expected to complete my Electrical Engineering Bachelor Degree in July 2017 from Universiti Teknologi Malaysia. My major field of study is on Electrical System. As for now, I am very eager and interested to apply all my knowledge in Electrical Engineering or any related field in the development of your firm.

I have been exposed to many technical and soft skills during my study here in UTM. I believe that I am a capable candidate to be part of OCK GROUP BERHAD's team as a significant contributor to fulfil your vision and mission. I keen to learn new things and very committed in my work especially when it comes to Electrical Engineering field.

Together with this cover letter, I attached my CV for your full consideration. I appreciate your time in reviewing my application and it will be a pleasure for me to attend an interview with you at your convenient time.

Yours sincerely,

Emmanuel Alphonsus
