

Dear Sir/Madam,

For Whom It May Concern,

I am writing to apply for the position available at your company. Here, I attached my resume for your review.

The opportunity presented is very interesting, and I believe that my strong technical experience and education will make me a very competitive candidate for this position. I recently graduated from UniKL (MIMET), it will be an honor for me to start having the experiences of the real life work with your company.

With a Diploma in Marine Engineering in Ship Contruction And Maintanance, I have a full understanding of the life cycle of a development project. For your information, I am not minimized my scope of works just in the heavy engineering fields since the engineering itself is wide.

I am self-motivated and able to work under pressure and tight deadline. I am enthusiastic person. My involments in many activities outside the academic circle have served me well in nurtuning my leadership. This quality is essential to be successful in the working world. I am strongly confident that I can perform the job effectively if I am given the opportunities to work at your company.

Together with this letter, I enclose my resume for additional information on my experience.

I can be reached anytime via email at [fadhilahazman75@gmail.com](mailto:fadhilahazman75@gmail.com) .

Thank you for your time and consideration. I look forward to speak with you about this employment opportunity.

Sincerely,

(AHMAD FADHILAH BIN AZMAN)
