Career Objective

I am looking for an opportunity to work within the engineering sector as part of my internship for my university's requirement; and to expand my engineering skills and knowledge. I'm always up for learning something new, and would always try to put my effort to the very best.

Education

2013-2016 (Currently still enrolled)

Bachelor of Engineering Technology (Honours) in Electrical
(University of Kuala Lumpur – British Malaysian Institute)

Current CGPA: 2.98

2009-2012

Kent Street Senior High School, Perth, Australia

Working Experience

- McDonald's East Victoria Park, Perth, Australia – Cashier and Cook (2010-2013)
- Khazanah Nasional – Part Time Receptionist (June-August 2015)

General Skills

- Bilingual (Fluent in English)
- Teamwork skills (Have work at places where teamwork is essential)
- Communication and organization skills
- A relatively fast learner
- Excellent with computers and typing

Special Achievements

- Merit Certificate in Japanese (2012)
- Certification of Graduation (2012)
- High Attendance Certificate achieved (2011)
- English Letter of Commendation (2010)
- Japanese Letter of Commendation (2010)
- Certificate of Appreciation for 40 Hour Famine (2010-2012)
