TO WHOM IT MAY CONCERN

Dear Sir,

REQUEST FOR INDUSTRIAL TRAINING FOR THE STUDENTS OF UNIVERSITI KUALA LUMPUR – MALAYSIAN INSTITUTE OF MARINE ENGINEERING TECHNOLOGY (UniKL-MIMET)

Industrial Training is part of the requirements for the Diploma of Engineering Technology in Electrical & Electronic (Marine) students of this university. The main objective of the training is to expose our students to the practical working experiences in the related firms.

We continuously seek for reputable and experienced companies to help us to achieve this objective. As such, we would like to seek your kind approval to place the following students to be attached to your organization for their Industrial Training program.

STUDENT NAME : MOHAMMAD HASFIRUL BIN HUSIN
STUDENT ID. : 56104314129
COURSE : D.E.T IN ELECTRICAL & ELECTRONIC (MARINE)

The duration of the training program is approximately **16 weeks** and is expected to commence beginning from **06th February 2017 – 26th May 2017**. We would also like to propose that a mini project could be assigned to the students during their placement at your company, which is related to their field.

We are confident that your company will also be able to provide our students with the technical knowledge and social skills besides familiarizing them with the systems and norms of working in the industry.

We highly appreciate your cooperation in accommodating our students in your organization. Please find enclosed the followings for your attention:

1. Industrial Training Placement Confirmation Form
2. Resume
