

## CURRICULUM VITAE

Name : MUHAMMAD ZHARIF BIN ZULKEFLI  
Address : Pt 6239, Kampung Chenis, Belanga, 18000  
Kuala Krai, Kelantan.  
E-mail : [mzharifzul@yahoo.com](mailto:mzharifzul@yahoo.com)  
Mobile No. : 014-5194696  
Nationality : Malaysia

### CAREER OBJECTIVES

The first thing I wish to obtain is valuable experience and seek new skills in the field of work that I operate in. Second, is to implement my theoretical knowledge from what I have learned in university into practice and work in a profession where my knowledge, abilities and commitment can be fully applied.

### QUALIFICATION BACKGROUND

#### Degree

Institute : Universiti Teknologi Malaysia  
Major : **Bachelor of Engineering (Electrical)**  
Grade (Current CGPA) : 3.28  
Period : 2012 – 2016  
Final Year Project : Enhancing Photovoltaic Efficiency via Cooling – Light Reflection Method

### WORKING EXPERIENCE

I had undergone internship program at Petronas Chemicals Low Density Poly Ethylene (PC LDPE) at Kerteh Terengganu for 3 month. I had been placed under electrical maintenance department. In the 3 month period, I was exposed to many jobs such as inspection and maintenance of low voltage and high voltage motor, 6 sigma project, and many more. In the 6 sigma project, I manage to improve time management for workers about 15%.

### SKILL AND STRENGTH

LANGUAGE	SPOKEN	WRITTEN	READING
English	7/10	7/10	8/10
