

**NURRUL ASSYIFA BINTI RAMLY**

H/P: 010-4378047

Email: assyifaramly@gmail.com

Address : Taman Sri Nanding 43100 Hulu Langat Selangor

## OBJECTIVES

Seeking a challenging career with progressive organisation that provides an opportunity to capitalise my technical skills and abilities in the field of computer and communication engineering.

## EDUCATION

<u>YEAR</u>	<u>INSTITUTION</u>	<u>LEVEL</u>	<u>CGPA/RESULTS</u>
2013-2016	Universiti Putra Malaysia	Bachelor in Computer and Communication System Engineering	2.968

## PROJECTS INVOLVEMENT

**Automatic Railway Gate Station**  
(Microprocessing)

- ✓ Use ESA 86/88-3 as a microprocessor development with 8086 and 8088 CPU
- ✓ Write the coding in assembly language

**Safety security for shoppingmall** (Embedded Computer And Communication System Design)

- ✓ Using PIC C Compiler (16F877 microcontroller).
- ✓ Use computer system as combination to produce security system

**Development and evaluation of video CODEC for medical motion pictures**(final year project)

- ✓ Research on the quality of video codec to be applied on ultrasound scan machines

## WORKING EXPERIENCES

June – August 2015

Industrial Trainee (RTM Kajang)

2013, 2014

Cashier at fresh market

Oct-Nov 2016

Data Entry (My Daily Deal)

## SKILLS

Software

MATLAB | ESA 86/88-3 MICROPROCESSOR | DEV C++  
GNS3 (networking) | Cisco Packet Tracer | OPTISYS Software ENSP  
(Huawei) | Microsoft Office (Words, Excel, Power Point) | Linux

Language

Fluent in Bahasa Melayu and English
